July 3, 4 and 5, 2017

Thanks to the generosity of the A'S organization, we are sending HUNDREDS and HUNDREDS of troops, vets and their dependents to the A's games on July 3rd (with fireworks after) and July 4th.

Then, another hundred will attend the game on July 5th courtesy of relief pitcher Brad Ziegler and his Pastime for Patriots Foundation.

Some Information About Our Tickets for Troops Program

We do not email out info on tickets available. There is no email list. We often receive tickets very last minute- the day before or on game day, so posting them on Facebook with SPECIFIC instructions on how to request them is the most efficient way for us to get the word out. We understand that some do not use FB- so we encourage them to have someone who does use it FRIEND US, then check in daily. We post new opportunities nearly every week.

OCC's "Tickets for Troops" IS:

1. Available to all current military, those who have formerly served in the military, and dependents of fallen troops.
2. Always FREE- no hidden service charges, etc. We feel that asking you to pay a service charge for FREE tickets means they are not really free.
3. A way for season ticket holders to support the troops by donating tickets they cannot use.

Awesome, Awesome, Awesome! We got to take the field with Giants on Memorial Day and had great seats to enjoy the ball game. It was an AWESOME experience and OCC is AWESOME for making it happen!

This is a fantastic organization! Just last week I responded to a post that they had tickets for the Friday and Saturday Giants games. I requested tickets and mentioned in my request that I use a mobility scooter and would need ADA seating. Julie at OCC worked with Margo at the Giants office to get two tickets switched so they could provide the special seating that I needed. They really care about helping veterans.
