OCC Thanks...

Thanks to **LendingClub** and their partners, who worked with KC and Tim of OCC to pack some awesome care packages recently in San Francisco!

Not only did they build fantastic packages, they are delivering them to us in the South Bay.

Two of their partners pitched in \$1,500 to help us pay the mailing costs!

Great job everybody!

Tickets For The Troops — Happenings

San Francisco Giants Salute Giants Platoon 50th Anniversary

This is why OCC was at AT&T Park on July 26, 2017.

In the summer of 1967, the Marines and the Giants partnered to adopt a single platoon of marine recruits handpicked by Northern California recruiters. These young men would be given the name "the San Francisco Giants Platoon" and enter marine boot camp as a single training unit. On July 26th, 1967, they were brought to Candlestick Park to be sworn in at home plate by Brigadier General Raymond Fuller.

They immediately left the stadium after being sworn in, and were flown to San Diego to begin training where they earned the distinction of becoming the regimental "honors" platoon. Six months later, they were in Vietnam.

At the game were 26 of the original 72 teammates from Platoon 1034 or "The Giants Platoon". They were celebrating their 50th reunion where it all started – with the Giants.

Some Information About Our Tickets for Troops Program

We do not email out info on tickets available. There is no email list. We often receive tickets very last minute- the day before or on game day, so posting them on Facebook with SPECIFIC instructions on how to request them is the most efficient way for us to get the word out. We understand that some do not use FB- so we encourage them to have someone who does use it FRIEND US, then check in daily. We post new opportunities nearly every week.

OCC's "Tickets for Troops" IS:

1. Available to all current military, those who have formerly served in the military, and dependents of fallen troops.
2. Always FREE- no hidden service charges, etc. We feel that asking you to pay a service charge for FREE tickets means they are not really free.
3. A way for season ticket holders to support the troops by donating tickets they cannot use.

July Tickets For Troops Events

- Hundreds of troops and their families attended A's games.
- Hundreds also attended Giants games.
- We provided tickets to LiveNation concerts.
- Tickets given out to see San Jose Earthquakes.
