

*it has been another  
amazing year and it's all  
thanks to you!*

*Dear Friends,*

**THANK YOU** for helping OCC assist 20 military/veteran families who are struggling through some extraordinary challenges this holiday season, including 8 wild fire victims who lost everything. Each were given gifts, gift cards and extra loving care from OCC and those who wanted to anonymously adopt families, contribute gift cards, and donate funds so we could support all who were given to us. We only received requests for 20 (from the military and VA), but what a holiday they received! We had gift cards donated last year which were also used to support some of these families.

OCC supported 45 kids from transitioning and homeless veterans, who would not have received any gifts. Each received a gift or gift cards, a stocking, etc. We personally shopped for each!

Since November alone, OCC packed and mailed thousands of pounds of care packages for forward deployed troops overseas, and hospitalized and veterans living in veterans homes this holiday season.

In 2018, thousands of troops, veterans and their families attended sporting and entertainment events absolutely FREE this year, thanks to the generosity of teams, promoters, event venues, season ticket holders and OCC.

Want a meaningful way to honor a friend or family member this holiday season? You and your family and friends can still make a donation to Operation: Care and Comfort, in their honor. Contributions will help us support troops, veterans and military families (including Gold Star families) with care packages, FREE event tickets, and year long support in 2019!
